

Element	Internal Assessment	Strengths	Weaknesses
Product / Service	Training workshops, volunteering opportunities, youth leadership programs, and skill development events	• Comprehensive offering (Volunteering + Skills + Leadership) • High-quality training materials and resources • Content can be documented (photos & videos)	• Some workshops may have limited capacity • Not all activities are fully documented on the page
Price	Most activities are free or low-cost	• Attracts large number of youth • Easy to join without financial barriers	• Limited funding for large-scale events • Some participants may undervalue free events and show lower engagement
Place	• Offline: Events in Dakahlia Governorate (Mansoura, Talkha, etc.) • Online: Facebook page, Instagram, Zoom workshops	• Combining offline + online expands audience • Allows participation from different cities	• Physical locations have limited capacity • Online reach needs improvement (Reels, ads)
Manpower	• Team of volunteers, coordinators, and trainers	• Motivated volunteers • Diverse skill sets among team members	• Limited number of professional coordinators • Some volunteers need extra training in event management
Money / Financial Resources	• Limited funding from local initiatives or donations	• Allows organization of low-cost events • Possibility of support from universities or NGOs	• Limited budget restricts program expansion • No significant budget for paid marketing campaigns
