# SWOT

## STRENGTHS :

- Clear identity as a youth initiative in Dakahlia
- Active in offline events and volunteering
- Growing presence on Facebook
- Engaged audience of students and young professionals
- Ability to combine skill development & volunteering program

## WEAKNESSES:

- Limited reach outside core cities
- Low posting frequency on social media
- Few short-form videos (Reels) and interactive content
- Branding and visuals could be more consistent and professional
- Limited marketing budget for paid campaigns

## THREATS :

- Competition from other youth initiatives and student clubs
- Social media attention span is short; high competition for engagement
- Limited resources to scale activities quickly
- Policy or administrative changes affecting youth programs
- Potential decrease in volunteer participation if events not engaging

## OPPORTUNITIES:

- High youth population interested in skill development
- Partnerships with universities, NGOs, and local businesses
- Increasing demand for volunteering and community activities
- Growing engagement with digital content (Reels, Stories, polls)
- Hybrid events (offline + online) to expand audience

# SMART

## SMART Goal 1

Increase DYS Dakahlia's Facebook and Instagram reach by 40%, grow followers by 30%, and improve the average engagement rate by 25% within six months through consistent content publishing, Reels, Stories, and targeted advertising campaigns.

## SMART GOAL 3

Strengthen DYS Dakahlia's digital presence by publishing at least 4 social media posts, 3 Reels, and daily Stories every week for six months, while maintaining a consistent visual identity and increasing audience interaction through polls, quizzes, and educational content.

## SMART Goal 2

Recruit 300 new volunteers and achieve at least 200 active participants in workshops and community events within six months by collaborating with universities, promoting events on social media, and implementing an effective volunteer recruitment campaign.

## SMART Goal 4

Achieve a participant satisfaction rate of at least 90% by collecting feedback after every workshop and implementing continuous improvements throughout the six-month campaign.
